

Tape Stop™ Power-Return Rules

First introduced as Klein's Limited Edition 150th Anniversary Tape Stop™, this popular power-return rule returns to the lineup (in three different sizes and a new look)... featuring architectural markings for easy elevated and flat surface measurements. The unique Tape Stop™ blade is designed for automatic self-lock when extended, and the dual-end hook attaches easily for all of your job applications.

925-25

Cat. No.	UPC No. 0-92644+	Blade Length	Width	Weight (lbs.)
925-25	92525-2	25' (7.5 m)	1" (25 mm)	.95
