

# QO215GFI

## MINIATURE CIRCUIT BREAKER 120/240V 15A

Product availability: Stock - Normally stocked in distribution facility

### Main

|                                |                                           |
|--------------------------------|-------------------------------------------|
| Commercial Status              | Commercialised                            |
| Product or component type      | Miniature Circuit Breaker                 |
| Range of product               | QO                                        |
| [In] rated current             | 15 A                                      |
| Product certifications         | CSA<br>UL listed                          |
| [Ue] rated operational voltage | 120/240 V AC                              |
| Mounting mode                  | Plug-in                                   |
| Poles description              | 2P                                        |
| Short-circuit current          | 10 kA                                     |
| Number of spaces required      | 2                                         |
| Circuit breaker type           | Ground fault protecting class A 6 mA      |
| Circuit breaker application    | Not rated                                 |
| Electrical connection          | Pressure plate                            |
| AWG gauge                      | 12...8 AWG aluminium<br>14...8 AWG copper |
| Accessory / separate part type | None                                      |
