

A NEW SPIN ON SCOTCH-BRITE™ CLEAN AND STRIP.

INTRODUCING Scotch-Brite™ Clean and Strip XT Pro & XT Pro Extra Cut Discs.

SPEED WITHOUT COMPROMISE.

Upgrade to the Scotch-Brite™ Clean and Strip XT Pro or XT Pro Extra Cut Discs for rust and coatings removal.

Get the excellent results metalworkers have received for nearly 40 years from Scotch-Brite™ Clean and Strip Discs, with a faster speed rating, a convenient quick-change threaded hub and extended life.*

*3M data on file.

NEW! Scotch-Brite™ Clean and Strip XT Pro & XT Pro Extra Cut

FLEXIBILITY WITHOUT WEAKNESS.

Benefit from increased conformability with the re-engineered fibre in the new Scotch-Brite™ Clean and Strip Discs without undercutting strength.

Rated for high speeds, both the Scotch-Brite™ Clean and Strip XT Pro and XT Pro Extra Cut Discs spin easily onto your angle grinder with a quick-change threaded hub – no accessories needed. A strengthening resin bond reveals new high-strength fibres and sharp mineral as the disc breaks down to deliver a consistent cut over time.

*When compared to coated abrasives.

- Quickly removes rust, paint, adhesives and other coatings
- High conformability provides a larger contact patch for faster removal rates
- High-strength fibre helps reduce chunking, and disc performs well on edges
- Reduced loading and smearing*
- Increased speed rating and low vibration
- Now available with a quick-change hub for right angle tools

CHOOSE YOUR CUT.

Get quick and consistent performance from the conformable, high-strength fibres of new Scotch-Brite™ Clean and Strip Discs. Each has its own unique place in your metalworking operations.

Which one is right for you?

Scotch-Brite™ Clean and Strip Discs

XT Pro

Rust, paint,
light mill
scale removal

Maintains
workpiece shape

Low sparking

Ideal for surface prep

Made with silicon
carbide mineral

XT Pro Extra Cut

Heavy rust and rust
pit removal without
leaving divots

Thick paint and
coating removal

Weld refinement
and removal of weld
discolouration

Cuts to bare metal quickly

Ideal for adhesion prep

Made with aluminum oxide

BOTH

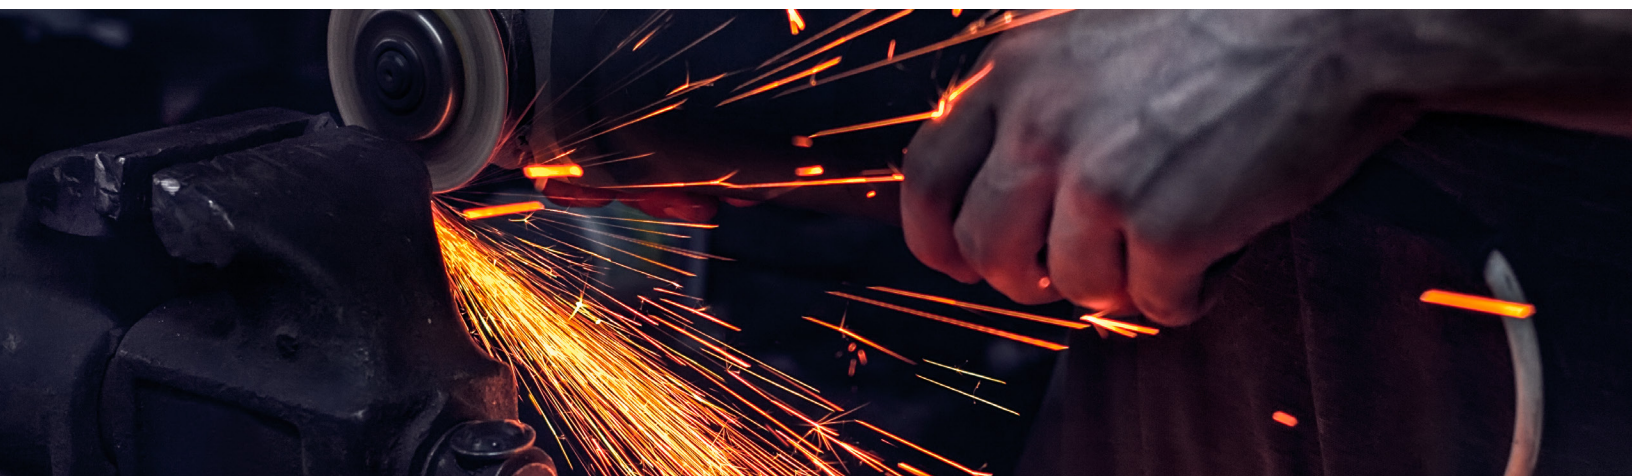

Rapid coating removal and
surface prep

Decreased chunking – extended life

Highly conformable

High speed rating

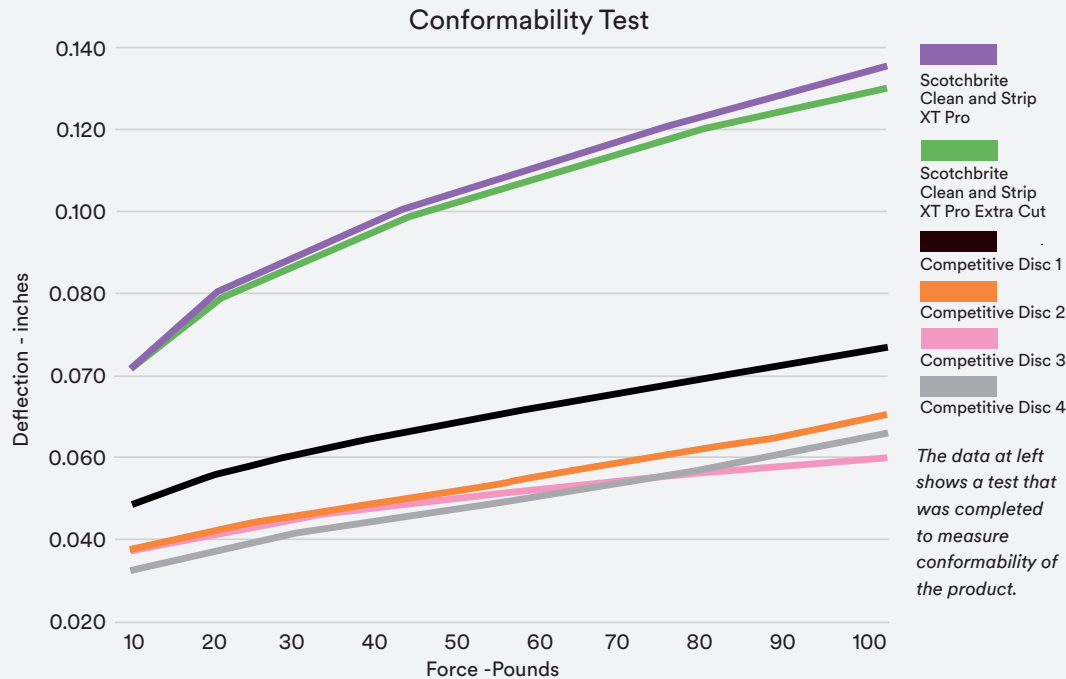

Quick-change, spin-on thread

Highly conformable for better contact and faster removal.

Scotch-Brite™ Clean and Strip XT Pro and XT Pro Extra Cut Discs consistently demonstrate higher conformability, which provides the following benefits:

- Large contact area for fast removal rates
- Conformability for contoured or hard-to-reach spaces
- Uniform, consistent finish
- Gentle on parts

Scotch-Brite™ Clean and Strip XT Pro Discs

Part #	Description	Quantity
SB21540	Scotch-Brite™ Roloc™ Clean and Strip XT Pro Disc, TR, 3 in x nh, S XCS	10 per case

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death and/or harm to property.

Warranty, Limited Remedy and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M makes no other warranties or conditions, express or implied, including, but not limited to, any implied warranty or condition of merchantability or fitness for a particular purpose, or arising out of a course of dealing, custom or usage of trade. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to warranty, contract, negligence or strict liability.
