901 **Heatkeep® INSULATION**
SKI GLOVES

- A favorite with ski patrols, lift operators, and maintenance workers nationwide!
- Durable pigskin leather outwears regular cowhide and fabric ski gloves!
- Extra **Heatkeep®** thermal lining for those exceptionally cold days!
- Reinforcing leather patches sewn with Draylon™ thread covering the palm area and fingers for extra abrasion protection!
- Pigskin 'breathes' so the gloves will dry soft after getting wet!
