Minority MFG	Not certified HUB Supplier

Product Details

Crystal clear dust mop treatment is a dressing for dust mop heads to aid in the removal of dust, dirt, and other abrasive matter from floor surfaces. Mop heads treated with this compound act as a dust magnet to attract and hold particles until mop is cleaned or laundered. Treatment is non-oily and leaves a dry, protective, plasticized film on the surface of wood, asphalt, linoleum, vinyl, vinyl composition, rubber, terrazzo, concrete and gymnasium floors. Will not harm waxed or finished surfaces, and floors appear brighter and more lustrous. Application: Dusting Solution; Applicable Material: Asphalt; Finished/Sealed Wood; Vinyl Composition Tile (VCT); Solid Vinyl Tile (SVT); Linoleum; Sheet Vinyl; Laminates; Rubber; Quarry Tile; Sealed/Engineered Stone; Sealed Cement/Concrete; Ceramic Tile; Terrazzo; Dirt Types: Debris; Dust; Soil; Scent: Slight Fruity.
