

SEALERS

Prime Coat Removable Tile Seal (Base Coat)

Penetrates and seals worn or damaged resilient floor tile in preparation for application of finish.

Typical Specifications

Working pH: 8.9
Color: Milky White
Odor: Polymeric
Solids: 18%
Coverage: 1500-2500 sq ft per gal

Availability

Product No. 141001
• 1 Gal/4 (04)
• 2.5 Gal/2 (07)
• 55 Gal (55)

STRIPPERS

Brulin Floor Neutralizer Alkalinity Neutralizer

Neutralizes stripper alkaline residue after stripping old finish.

Typical Specifications

Working pH: 3.0
Color: Light Yellow
Odor: Mild

Availability

Product No. 121006
• 1 Gal/4 (04)

Shattered 99® Ultra-Concentrate Heavy-Duty Power Stripper

Lowest cost-per-gallon in-use, reducing transportation weight 5 times. Strips the first time. Low pH minimizes residue and eliminates the need for multiple rinses. Low odor promotes 24/7 use.

Typical Specifications

Dilution: 1:20
Working pH: 11.2
Color: Iridescent Pale Red
Odor: Light Citrus

Availability

Product No. 193019
• 32 oz/6 (24)
Product No. 121019
• 1 Gal/4 (04)
• 55 Gal (55)

Brulin Breaker® Extra Heavy-Duty Power Stripper

Removes all classes of finishes. Superior wetting penetration breaks down heavy build-up to strip the first time. Relatively low pH and low odor. Rinses easily.

Typical Specifications

Dilution: 1:6 - 1:2
Working pH: 11.0
Color: Fluorescent Green
Odor: Citrus

Availability

Product No. 121017
• 1 Gal/4 (04)
• 2.5 Gal/2 (07)
• 55 Gal (55)

TerraGreen® Stripper Extra Heavy-Duty, Green Power Stripper

Powerful "one-stripper solution" uniquely removes non-zinc and zinc finishes. Low pH minimizes residue and eliminates the need for multiple rinses. Low odor promotes 24/7 use.

Typical Specifications

Dilution: 1:4
Working pH: 10.4
Color: Fluorescent Yellow-Green
Odor: Mild

Availability

Product No. 361002
• 1 Gal/4 (04)
• 2.5 Gal/2 (07)
• 55 Gal (55)

TerraGreen Stripper meets Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

Gloss Buster® Heavy-Duty Power Stripper

Our lowest price-per-gallon stripper. Superior color makes application easy to track. Ideal for use on frequently stripped floors where low cost per gallon is necessary.

Typical Specifications

Dilution: 1:4 - 1:2
Working pH: 13.0
Color: Fluorescent Green
Odor: Mild

Availability

Product No. 121015
• 1 Gal/4 (04)
• 2.5 Gal/2 (07)
• 55 Gal (55)

Brute! Heavy-Duty Power Stripper

Takes off most finishes in one pass – removes finishes subjected to repeated high-speed burnishing.

Typical Specifications

Dilution: 1:4 - 1:2
Working pH: 11.2
Color: Yellow Green
Odor: Mild Citrus and Solvent

Availability

Product No. 123002
• 1 Gal/4 (04)
• 2.5 Gal/2 (07)
• 55 Gal (55)

Off-Base (Aerosol) Spot Stripper

Aerosol spot stripper effectively removes soil and finish build-up from baseboards, floors and ceramic wall tiles.

Typical Specifications

Dilution: RTU
Color: Tan-Opaque
Odor: Pine & Solvent

Availability

Product No. 500B12
• 20 oz/12 (50)
