Hand Hygiene

Whether at home base or with a mobile work crew, SCRUBS® Hand Cleaner Towels and Sanitizer Wipes are effective and convenient ANYWHERE, ANYPLACE, ANYTIME!®

SCRUBS in-a-Bucket® Hand Cleaner Towels

- Advanced formula combines with dual texture blue towel to thoroughly and gently clean hands in one step without water

- Effectively removes grease, oil, tar, lubricants, carbon, adhesives, paint, ink and more
- Blue, ROUGH TOUCH® towel loosens and traps grime and locks it in; soils won't transfer back to hands or surfaces
- One towel is all you need to leave hands clean and smooth; tools and equipment sparkling

- 22701 1 gallon flat, 4/case
- 22732 32 oz flat, 12/case
- 22755 55 gallon drum, each

Earth Soap® Bio-Based Cleaner/Degreaser

- Concentrated formula degreases and washes parts
- Apply manually or with pressure washers and heated parts washers
- Bio-based, non-solvent formula with mild pH inhibits corrosion

Product #

- 27901 1 gallon flat, 4/case
- 27932 32 oz flat, 12/case
- 27955 55 gallon drum, each

Outdoor Worker Protection

Railroad crews often work outdoors, increasing their exposure to the sun's UV rays as well as to biting and stinging insects. SCRUBS® Wipes offer one-step application of both sunscreen and insect repellent. Wasp & Hornet Killer keeps stinging insects in check.

SCRUBS® Skin Protection Wipes

- Facial quality wipes speed application to exposed skin
- Cool, comfortable liquid formulas absorb quickly without greasy feel
- Do not interfere with ability to grip tools or controls
- Eliminate risk of chemical inhalation from sprays
- Single packs are easy to dispense, carry and use

Product #

- 91201 SCRUBS® SOLAR GUARD™ Sunscreen Wipes, SPF 30+, 100/case
- 91401 SCRUBS® INSECT SHIELD™ Insect Repellent Wipes, 30% DEET, 100/case
- 91501 SCRUBS® SUN SKEETER™ Sunscreen + Insect Repellent Wipes, SPF 25 + 20% DEET, 100/case

THE End.™ Wasp & Hornet Killer

- Instant knockdown of wasps, hornets, yellow jackets and bees
- Stream sprays up to 20 feet
- Residual action prevents return of insects and new nests

Product #

- 18320 20 oz aerosol, 12/case

Rail industry workers rely on the proven performance of ITW Professional Brands. From freight rail maintenance and repair operations to passenger rail custodial requirements, reach for SCRUBS®, Spray Nine®, Dymon® and DYKEM® brands for **products that work as hard as you do.**

DYKEM® Marking Products

DYKEM® Marking Products provide clear, permanent identification and color-coding for rail components, equipment, tools and supplies. Specialized formulas ensure secure marking through dust, rust, grease, water – even upside down – on the most challenging surfaces.

CROSS CHECK™ Tamper Proof Torque Mark

- Squeeze on a bright colored bead to safeguard threaded connections
- Visually detect loose fasteners, changes in torque and control settings
- Choose from five highly visible colors
