Chill-Its® 6240 Phase Change Cooling Vest Elastic Extenders

Item Number - Color

- 12209 - Orange
- 12208 - Black

Order in Multiples of: 1

The Chill-Its® 6240 Phase Change Cooling Vest Extenders provide 3.5in / 9cm of extension the [Chill-Its® Phase Change Vests](#) (excluding lightweight vests) to increase the size. They are made of 100% elastic with hook and loop extenders to attach to the vests.

Chill-Its® Phase Change Cooling Vests keep workers cooler, safer and more productive on the job. The Premium and Standard Cooling Vests maintain a 64° F (18° C) temperature for up to 4 hours while the Lightweight Cooling Vest maintains a 59° F (15° C) temperature for up to 2 hours.

HOW TO USE

There are many ways to activate your cooling vest. Simply place the two removable packs in a cooler of ice water, the freezer, the refrigerator or near an air conditioner until cold. Then place the recharged cooling packs in the vest pockets for hours of cooling.

HOW TO CLEAN

The cooling pack should be washed by hand with a mild detergent and warm water. Dry with a paper towel or cloth. DO NOT machine wash or machine dry. The fabric vest carrier is machine washable with mild soap; hang dry.

Cooling vests are perfect for anyone in need of instant cooling relief while working or playing outside or indoors in warm temperatures where heat-related illnesses like heat cramps, heat strokes, heat exhaustion, etc. are possible. Ideal for workers in pulp/paper, iron/steel, vulcanizing, foundries, etc. or for people running, biking, doing yard work, riding motorcycle and more! Also, ideal for those needing cooling relief but aren't able to use an evaporative cooling option.
