SKU: 58527

## PRODUCT DESCRIPTION

Erickson 58527 2 In X 27 Ft 10000 Lb Ratchet Strap With Flat Hooks

### Company Info:

Erickson Manufacturing, the North American leader in Tie-down Straps and load securement related items. Erickson Manufacturing has been producing Tie-Down Straps and related products for over 30 years. We are a voted in member of the Web Sling & Tie-Down Association which keeps us up to date with legislation, new technologies, etc. All of our tie-downs have the web sling labels sewn into the product. If you have a customer going into a D.O.T. (weigh scales) inspection center, the inspector will see the Web Sling & Tie-Down Association's label, the inspector knows the tie-downs are made by a bonafied tie-down expert.

### Features:

- Medium handle ratchet w/2"x27' flat hook strap
- Flat hooks feature a metal keeper in pull area
- This helps prevent premature wear in the area-that has the most pull
- 10,000 lb. rated straps have a working load -limit of 3,300 lb. & are D.O.T. approved
