**1820-HB**  
15" L X 7" W X 9" H

This oval bucket features reinforcing Hard Body plastic on all sides to keep the bucket rigid, as well as 15 inside tool pockets for organization. It hangs on the aerial lift with attachment hooks. There is a PVC ring in the top to shape the opening as with all Estex oval buckets. Holes for attachment hooks are reinforced with brass grommets, and the base of the bucket is built from sturdy plastic with built in drainage holes.
