

## OVAL BUCKETS

### POCKET CONFIGURATIONS

### OPTIONAL FEATURES

#### A | 6 POCKETS ON ONE SIDE

#### 1800

15" L X 7" W X 9" H

Our standard oval aerial bucket, and grommets for hanging with 6 interior pockets.

#### 1800-HB

15" L X 7" W X 9" H

A variation of our standard 1800 with hardbody reinforcement and grommets for hanging.

#### C | 9 POCKETS PLUS 1 POUCH

#### 1810-FR-C

15" L X 7" W X 9" H

Our FR vinyl bucket comes equipped with 9 pockets plus one interior pouch and an elastic cover that cinches tight to protect tools from weather and debris. Brass grommets allow the bucket to be hung on the edge of the bucket

#### B | 7 ON TWO SIDES

#### 1810

15" L X 7" W X 9" H

With 7 interior pockets on two sides, this variation of the standard comes with even more organizational versatility.

#### 1810-HB

15" L X 7" W X 9" H

Hardbody reinforced bucket with 7 interior pockets on two sides and grommets for hanging.

#### C | 9 POCKETS PLUS 1 POUCH

#### 1818

X 7" W X 9" H

A variation on our standard aerial oval bucket with hanging grommets and 9 pockets, plus 1 pouch.

#### 1818-7

15" L X 7" W X 9" H

Made of nylon cordura, this bucket comes with Inosil lining the 9 interior pockets plus 1 pouch.
