SHORT HOOK & LOOP FLAP

2117-15VFWSS

15"L x 8"W x 11"H

Plastic bottom with hook & loop storm flap and removable shoulder strap. Top grain leather straps.

2117-2190Y

24"L x 10"W x 19"H

This bag features a weather flap for added water protection. Made of water resistant fabric with a polymer plastic base.

2117-6055R

24"L x 10"W x 19"H

Double zipper opening. 2 large pockets on either end of the bag and 1 large side pocket. Tough water resistant fabric with a polymer plastic base. Removable shoulder strap.

2180

22"L x 11"W x 11"H

Zipper closure. Many people use the 2180 for safety gear; hard hat, safety vest, dielectric shoes, rain wear, etc.

2117-1PCAMO-F

24"L x 10"W x 19"H

Tough water resistant vinyl fabric with a polymer plastic base, weather flap and large pocket. Leather strap closures and 2" webbing carry handles with box X reinforcement.

BOX X STITCH

Box X stitches are very strong, joining the webbing to the fabric over a large surface to prevent tearing in high stress areas.
