

THE STARLITE[®] FAMILY

When StarLite was first introduced by Gateway Safety, its style was revolutionary. The large, boxy traditional safety glasses were no match for StarLite's lightweight, modern design. StarLite quickly changed the industry and continues to deliver comfortable stylish protection today. Each member of the StarLite family boasts the same great qualities as the original, while offering its own unique features and benefits for a variety of applications.

STARLITE[®]

Still the one. The original. The best. Popular, innovative design combines low-cost protective eyewear with all-around impact protection.

- Sleek, compact appearance and stylish unitary lens provides a wide field of vision.
- Ultra-lightweight design is easy to wear all day, helping improve safety compliance.
- Deep, universal-fit temples provide side protection identical to large side shields.
