

3M Utility Cloth for Surface Prep

For most MRO sanding and surface prep jobs, 3M™ Utility Cloth, Sheets, and Rolls have the abrasive grit and durability to work fast and long. Use by hand or with power tools.

- Blend metal
- Clean metal prior to welding, painting
- Remove rust, stamping marks
- Hand deburr

3M Abrasive Products for Crud Removal

Scotch-Brite™ Bristle Disc on a right angle grinder goes through paint, weld burns, burrs, and rust to leave a clean, smooth surface. Scotch-Brite™ Bristle Brush on a bench motor is more aggressive for greater surface uniformity.

- Conform to contours and threads
- Work up to 10X longer than competition

3M Instant Adhesives for Permanent Bonding

3M™ Pronto™ Instant Adhesives CA40 and CA40H reach handling strength at room temperature in 1-40 seconds depending on the application. One-part cyanoacrylate cures without catalyst, mixing, or metering. Full strength provides almost a ton of holding power on steel. Bond surfaces where other adhesives may fail, such as EPDM gasketing.

Product	UPC # 21200-	Size	Features
CA-40	21063-1 21064-8	1 oz. bottle 1 lb. bottle	Very fast setting adhesive with excellent adhesion to many substrates including flexible vinyl and EPDM rubber. Meets MIL-A-46050C Type II, Class 1. Handling strength is 1-30 sec.
CA-40H	21073-0 21074-7	1 oz. bottle 1 lb. bottle	A higher viscosity, slower setting version of CA-40 Adhesive, with better void filling capabilities. Meets MIL-A-46050C Type II, Class 3. Handling strength is 5-40 sec.¹

3M Vinyl Tapes for Floor and Hazard Marking

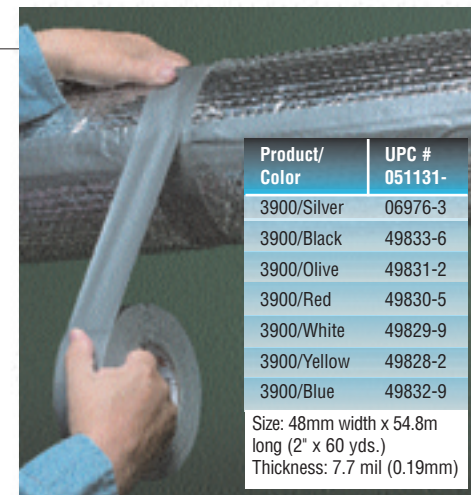

For marking, identifying, and color coding, 3M™ Vinyl Tapes stick on contact to most surfaces. Bright colors are locked in for permanent visibility. Vinyl resists abrasion, scuffing, moisture, weathering, and chemicals. Peels up for removal when necessary.

- Identify lanes and corridors
- Mark hazard areas
- Highlight safety equipment

3M Duct Tape for All-Around Maintenance

3M™ Duct tape 3900 is an all-around performer for maintenance throughout a facility. Grips and conforms on contact for a tight seal on many surfaces. Waterproof backing resists wear, abrasion, moisture, and weathering. Seven colors.

- Bundle, reinforce, patch, splice, wrap, cap conduit, hold, mask, mark, color code, and more

M-FL550DD	29071	5" x 50' per box	3M™ Maintenance Sorbent-Folded All purpose maintenance clean-up of non-aggressive fluids	31.5 gallons per case

3M Masking Tapes for Painting, Bundling, and More

The 3M MRO selection of crepe masking tapes provides the range of holding power, line sharpness, and clean removal needed for many MRO applications.

- Critical paint lines on high valued products and processes
- Reliable masking for functional coatings or paints
- Light duty splicing, bundling, attaching, and labeling
