

 **CRESCENT
JOBBOX[®]**

**Site-Vault[™] Series
Chests and Piano Boxes**

Trusted by the Trades.

Crescent JOBBOX Onsite Chests

Designed for security, easy access and excellent weather resistance, the Crescent JOBBOX Chest yields an abundance of features including four-way skid bolsters, and a visual, three-point locking system.

Reinforced Lid with Full-Length Bolster

Reduces damage from excess stacking weight and resists pry bar entry

Site-Vault® Security System

The patented system has a full-length steel lock console with three locking points and fluorescent reflective orange tape that indicates chest is locked

More Padlock Compatibility

Use Master #1, #5, #175, and American 50

EZ-Lock Arm

Securely locks lid open

Dual Built-In Lid Storage Bins

Cargo nets hold items like first aid kit, rain gear, manuals, safety items

Recessed Handles

Prevent pinched fingers and damage to the handle

Built-In Bin Storage

Quick access for small tools and parts

Heavy Gauge Steel Skid Bolsters

Provide easy load or unload from any side

Crescent JOBBOX Piano Boxes

The perfect combination of storage space, organization, and security, the world renowned Crescent JOBBOX Piano Box is a job site must-have. Two storage bins on both side walls and the Crescent JOBBOX Lift-N-Stow Shelf give you room to store any item, while the Site-Vault™ security system ensures that your valuables remain safe and secure.

More Padlock Compatibility

Use Master #1, #5, #175, and American 50
