

UNF300 - Hazardous Location Union - Zinc Plated Steel - 3" Female/Female

By Killark
Catalog # UNF300

Hazardous Location Union - Zinc Plated Steel - 3"
Female/Female

Features

- Unique design offers a compact size for lighter weight and smaller profile for critical clearances with equipment
- Extruded bar stock construction provides superior threads over sand cast and provides twice the tensile strength
- Uniform design across all sizes for aesthetic and robust appeal
- Male to Female union has nonremovable nipple to ensure tight seal with union and pipe/equipment
- Made in the USA
