

# UNY50 - Hazardous Location Union - Zinc Plated Steel - 1/2" Male/Female

By Killark  
Catalog # UNY50

Hazardous Location Union - Zinc Plated Steel - 1/2" Male/Female

## Features

- Unique design offers a compact size for lighter weight and smaller profile for critical clearances with equipment
- Extruded bar stock construction provides superior threads over sand cast and provides twice the tensile strength
- Uniform design across all sizes for aesthetic and robust appeal
- Male to Female union has nonremovable nipple to ensure tight seal with union and pipe/equipment
- Made in the USA

## Specifications

|                          |                                                                                                                                                                                                    |
