

CLASSIC STO

KNAACK® CLASSIC Storage Chests and Rolling Work Benches provide great value, versatility, secure storage and efficiency on jobsites, as well as at home. Models 2048 and 2060 can also take to the road in any full-size pickup truck.

CLASSIC STORAGE Chests feature:

- Recessed handles for positive gripping even with a gloved hand
- Baked-on enamel finish for weather-resistance and durability
- Caster-ready 12-gauge steel skids to accommodate optional casters (see page 9)
- Heavy-duty 16-gauge steel construction with fully arc-welded seams

WATCHMAN® IV LOCK SYSTEM 7286-1PK
