

MASTER ULTRATANE[®] BUTANE

The only butane recommended to fuel all Master butane powered heat tools

- Available in 3 convenient sizes: 5 1/8 oz (145 gram), 3 3/4 oz (106 gram) and 15/16 oz (26 gram) canisters
- Part No. 10448 and 11799 meet ORM-D consumer commodity class and can be shipped via ground transportation without hazardous material charges
- Triple refined, “non-clogging” formula prevents clogging of internal filters
- Special vapor pressure for consistent self ignition of butane powered heat tools
- Contains no CFC’s (chlorofluorocarbons), will not harm the ozone layer
- Each canister comes with a convenient, single piece filler tip which fits multiple size orifices
- Shipping cartons premarked and labeled per DOT (Department of Transportation) regulations
- For best performance use Master Ultratane Butane with your butane powered heat tools
