# SAINT-GOBAIN

#### SECTION 1 : PRODUCT AND COMPANY IDENTIFICATION

Product Name: MSDS Manufacturer Number: TW\_All Address:

General Phone Number: Emergency Phone Number: 508-795-5000 Website: MSDS Creation Date: MSDS Revision Date:

# Abrasive Product Manufacturer Name: Saint-Gobain Abrasives, Inc. 1 New Bond Street Worcester, MA 01615 508-795-5000 www.Nortonabrasives.com August 15, 2009 July 01, 2013

#### SECTION 2 : COMPOSITION/INFORMATION ON INGREDIENTS

| Chemical Name                         | CAS#           | Ingredient Percent | EC Num.   |  |
|---------------------------------------|----------------|--------------------|-----------|--|
|                                       |                |                    |           |  |
| Calcium carbonate                     | 1317-65-3      | 1 - 5 by weight    | 215-279-6 |  |
| Crystalline Silica, Quartz            | 14808-60-7     | 0 - 1 by weight    | 238-878-4 |  |
| Fiberglass                            | 65997-17-3     | 1 - 5 by weight    | 266-046-0 |  |
| Phenol formaldehyde polymer 9003-35-4 |                | 10 - 30 by weight  |           |  |
| Sulfates/Sulfides No Data             |                | 5 - 10 by weight   |           |  |
| Inorganic fluorides                   | Not Applicable | 1 - 5 by weight    |           |  |
| Aluminum Oxide, Non-fibrous 1344-28-1 |                | 60 - 100 by weight | 215-691-6 |  |
| Amorphous Silica, Fused               | 60676-86-0     | 5 - 10 by weight   | 262-373-8 |  |
| Titanium dioxide                      | 13463-67-7     | 0 - 1 by weight    | 236-675-5 |  |

#### SECTION 3 : HAZARDS IDENTIFICATION

| Potential Health Effects:   |  |
|-----------------------------|--|
| Eve:                        | Dust may cause slight irritation.  |
| Skin:                       | Dust from this product may cause temporary mechanical irritation.  |
| Inhalation:                 | Dusts from this product may cause mechanical irritation of the nose, throat and respiratory tract.   |
|                             |  |
| Ingestion:                  | Ingestion of this product is unlikely. However, ingestion of product may produce gastrointestinal<br>irritation and disturbances.  |
| Chronic Health Effects:     | Chronic health effects are not expected as long as good hygiene and proper safety precautions are practiced.   |
|                             |  |
| <u>Fiberglass</u>           |  |
|                             |  |
| Inhalation:                 | Fiberglass contained in wheels have fiber diameters greater than 10 um, therefore considered non-<br>respirable.   |
|                             |  |
| Phenol formaldehyde polymer |  |
|                             |  |
| Chronic Health Effects:     | Dust generated from intended use may contain trace amounts of phenol and formaldehyde which<br>under excessive exposure may cause skin sensitization and airway obstruction. |

## SECTION 4 : FIRST AID MEASURES

| Eye Contact:        | Immediately flush eyes with plenty of water for at least 15 to 20 minutes. Ensure adequate flushing of<br>the eyes by separating the eyelids with fingers.<br>Get medical attention, if irritation or symptoms of overexposure persists. |
|---------------------|--|
| Skin Contact:       | Immediately wash skin with soap and plenty of water.<br>Get medical attention if irritation develops or persists.  |
| Inhalation:         | If dust from cutting or drilling is inhaled, remove the affected person to fresh air. If symptoms persist, get medical attention.  |
| Ingestion:          | Accidental ingestion of this material is unlikely. If this does occur, watch person for several days to make sure intestinal blockage does not occur. If symptoms persist, call a physician.   |
| Note to Physicians: | No information available.  |

## SECTION 5 : FIRE FIGHTING MEASURES

| Flammable Properties:            | Non Flammable.   |
|----------------------------------|--|
| Flash Point:                     | Does not apply.  |
| Auto Ignition Temperature:       | Not determined.  |
| Lower Flammable/Explosive Limit: | Not available.   |
| Upper Flammable/Explosive Limit: | Not available.   |
| Extinguishing Media:             | Use any extinguishing media appropriate for the surrounding fires.   |
| Unsuitable Media:                | None.  |
| Protective Equipment:            | As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear. |
|                                  |  |
| NFPA Ratings:                    |  |

| NFPA Health:       | 0 |
|--------------------|---|
| NFPA Flammability: | 0 |
| NFPA Reactivity:   | 1 |
| NFPA Other:        |   |

# SECTION 6 : ACCIDENTAL RELEASE MEASURES

| Methods for containment: | Containment of this material should not be necessary.   |
|--------------------------|---|
| Methods for cleanup:     | Shovel or sweep up for re-use or disposal. Avoid creating dusty conditions.<br>Evaluate residue to determine if it is a hazardous waste by characteristic.<br>Dispose of in accordance with Local, State, Federal and Provincial regulations. |

# SECTION 7 : HANDLING and STORAGE

| Handling:          | Always HANDLE AND STORE wheels in a CAREFUL manner.<br>Always VISUALLY INSPECT all wheels before mounting.<br>Always CHECK MACHINE SPEED against the established maximum safe operating speed MARKED ON<br>THE WHEEL.<br>Always CHECK MOUNTING FLANGES for equal and correct diameter.<br>Always USE MOUNTING BLOTTERS.<br>Always be sure WORK REST is properly adjusted.<br>Always USE A SAFETY GUARD covering at least one-half of the grinding wheel.<br>Always allow NEWLY MOUNTED WHEELS to run at operating speed, with guard in place, for at least one<br>minute before grinding.<br>Always TURN OFF COOLANT before stopping wheel to avoid creating an out-of-balance wheel. |
|--------------------|---|
| Storage:           | No special storage conditions required.   |
| Hygiene Practices: | Wear suitable gloves and eye/face protection.   |

## SECTION 8 : EXPOSURE CONTROLS, PERSONAL PROTECTION - EXPOSURE GUIDELINES

| Engineering Controls:               | General dilution ventilation and/or local exhaust ventilation should be provided as necessary to maintain exposures below occupational exposure limits.  |
|-------------------------------------|--|
| Eye/Face Protection:                | Always WEAR SAFETY GLASSES or some type of eye protection when grinding.   |
| Skin Protection Description:        | Protective gloves.<br>Long sleeved shirt and long pants.   |
| Respiratory Protection:             | When workers are facing airborne particulate/dust concentrations above the exposure limit they must<br>use appropriate certified respirators.<br>A properly fitted NIOSH approved disposable N 95 type dust respirator or better is recommended. |
| Other Protective:                   | Use of this product may create elevated sound levels. Hearing protection should be worn where required (see OSHA 29 CFR 1910.134 and other applicable regulations).  |
| General Hygiene Considerations:     | Handle in accordance with good industrial hygiene and safety practice.<br>Remove and wash contaminated clothing before re-use.<br>Avoid getting dust into boots and gloves through wrist bands and pant tucks.                                   |

## SECTION 9 : PHYSICAL and CHEMICAL PROPERTIES

| Physical State Appearance: | Solid article.  |
|----------------------------|-----------------|
| Odor:                      | Odorless.       |
| Flash Point:               | Does not apply. |
| Auto Ignition Temperature: | Not determined. |

# SECTION 10 : STABILITY and REACTIVITY

| Chemical Stability:             | Stable under normal conditions.  |
|---------------------------------|--|
| Hazardous Polymerization:       | Hazardous polymerization does not occur.   |
| Special Decomposition Products: | In use, dust and decomposing odors may be generated. In most cases, the material removed from<br>the workplace will be significantly greater than the grinding wheel components. Coolants may produce<br>other decomposition products. |

# SECTION 11 : TOXICOLOGICAL INFORMATION

#### Acute Toxicity:

This product has not been tested for its toxicity.

| Carcinogens:                |  |                     |         |         |         |  |
