

R series (Premium high density liners)

Noramco Premium High Density Liners are manufactured with the highest quality High Molecular Weight High Density Polyethylene (HMW-HDPE) resins which provide superior strength at thinner gauges.

North American's High Density liners are manufactured at full gauge and size with a guaranteed case weight. The thinner gauges and superior strength of our High Density Liners offer users a cost effective alternative to higher priced heavy bags.

PREMIUM NORAMCO HIGH DENSITY LINERS
