### “Don’t be left in the dark, let the Sylvania night light guide you”

Sylvania Crystal Night Lights can be a little child’s best friend at night. This light can protect them from the scary creatures that might lurk through the night by giving your child the needed light to fall asleep. It can also be used for adults who may still be scared of the dark.

### “Add some sparkle to your holidays with Sylvania Crystal Candlelights”

Sylvania Crystal Night Lights can add spice to your living quarters. You can use the Crystal night-light on items such as electronic candles to brighten up your holidays or used as a decorative light to add a flare to a room. The unique crystal features allow there to be more opportunities for use.
