

# LED Premium Trouble Free Work Light

**PART #PWL-LED**

This Premium LED Trouble Free Work Light is perfect for lighting up work areas late at night.

## Description

This Premium LED Trouble Free Work Light is perfect for lighting up work areas late at night. This light features a metal cage, swivel hook, and a magnet on the back.

### **Features/Advantages:**

- A plastic coated metal cage protects the light over it's entire surface for added durability and shock absorption
- Magnet on the back can be attached safely to metal surfaces for even more options for light placement and ease of use
- No heat means no more burns to skin, carpet or upholstery
- Rubber washer adds to shock and water resistance
- Super tough poly-carbon housing protects lamp
- Directional light gives you more working light where you need it
- Rated for 35 times the life of an incandescent bulb
- Swivel hook lets you turn the light in the direction you need it
