

# recycled PGB series

## PRODUCT FEATURES

- Earth-friendly & certified for Recycled Content
- Ideal for the toughest applications
- Superior strength and puncture resistance
- Packed on coreless rolls or individually folded
- Solid black film hides bag contents
- Star seal provides extra durability

Minimum 65% Pre-Consumer Recycled LLDPE Resin Content:  
2 Mil, 2 Mil EQ, 1.5 mil

Minimum 25% Pre-Consumer Recycled LLDPE Resin Content:  
1.5 Mil EQ & 1 Mil

### Why Repro?

- Significantly cheaper than virgin linear low density trash bags
- Strong and durable
- Popular in schools, municipalities and anywhere else where sharp objects are being thrown away

Note: Due to the recycled content properties, color may vary.

\*Skid Count Subject to Change Based on Shipment Requirements
