

Waste > BRUTE® Utility

2655 BRUTE® Container without Lid

BRUTE® trash cans are designed with 4 built-in venting channels that allow air to flow into the container making liners up to 50% easier to lift out which improves productivity and reduces the risk of repetitive strain injuries.

- Bag cinches secure liners without the need for knotting
- Contoured basehandles improve grip and increase efficiency
- Seamless construction makes cleaning the container easier.
