

ADJUSTABLE MOP HANDLE

Designed to help reduce the physical strain of mopping.

- Unique handle grip swivels radially a full 360° in either direction to help reduce wrist strain
- Corrosion-resistant aluminum handle adjusts from 54" to 66" for maximum reach
- User-friendly bent handle minimizes the force and leverage required for smooth mopping
- Available with a clamp style head that accommodates a 5" headband mop or the side gate head that accommodates a 1" headband mop
