

KRUD KUTTER® PRO

CONCENTRATED CLEANER DEGREASER

DESCRIPTION AND USES

Krud Kutter® PRO Concentrated Cleaner Degreaser is a heavy duty formula for industrial cleaning applications. It is designed to quickly dissolve grease and grime on most non-porous surfaces. For use on cleaning tools, machinery, engine parts, construction equipment, fiberglass, unfinished and finished concrete, masonry, asphalt and more.

This concentrated commercial strength formula safely and easily removes food and drink stains, dried latex paint, paint overspray, tape residue, glue and adhesive, acid rain, bird droppings, smoke damage, tree sap, grease & oil, marker & crayon, pet stains, brake dust, fireplace soot, oxidation, lipstick, scuff marks, blood stains, sun tan oil, tar & wax, chewing gum, soap scum mildew stains, shoe polish and more.

An all purpose formula (1½ cups of concentrate to 1 gallon of water) cleans and degreases appliances, mini-blinds, canvas, chrome, silver, brass, copper, porcelain, plastic, fiberglass, linoleum, aluminum, vinyl, patio furniture, walls and baseboards, carpets, upholstery, stainless steel and wheels.

For reflective surfaces such as computer and TV screens, glass mirrors, windows, display case, crystal, lights and car finishes, add 1½ ounces of concentrate to 1 gallon of water.

PRODUCTS

SKU	DESCRIPTION
352239	20 oz. Foaming Aerosol
352263	32 oz. Trigger Sprayer
352261	128 oz. Bottle
352257	5 Gallon Pail
352255	55 Gallon Drum
352254	275 Gallon Tote

PRODUCT APPLICATION

DIRECTIONS

Always test on an inconspicuous area first. Apply directly on surface to be cleaned and allow to penetrate briefly. Wipe off with a clean cloth or towel.

For older, more difficult jobs, apply a generous amount of cleaner and allow to stand for a few minutes before wiping dry. For extremely tough jobs such as the removal of old, dried latex paint, scrub with a brush or scouring pad and wipe off with a wet rag. For engine cleaning, use on a cold, dry engine. **Do not use on varnished surfaces or leather.** **When used in a food processing facility, rinse with potable water after use. Do not mix this product with any other chemicals.**

PRODUCT APPLICATION (cont.)

PRESSURE WASHER APPLICATION

Contains anti-corrosive agents to safeguard pressure washer parts (bleach can erode O-rings). Please be aware that water pressure alone may remove paint or highlight existing discoloration caused by sun exposure.

Rinse surrounding plants with water before and after application. Wet the surface to be cleaned prior to applying the product. Place detergent application siphon tube and screen filter directly into container. Open the meter valve (if applicable) for maximum product flow. For reservoir machines, pour product (full strength) into pressure washer. Spray at low pressure onto a wet surface. On vertical surfaces, always spray from the top down. Allow product to remain on the surface for 3 to 5 minutes to penetrate. Do not allow product to dry on surface. Remove siphon tube from solution and rinse surface with high-pressure spray thoroughly. Flush siphon tube with clean water prior to storage.

CARPET CLEANING AND STAIN REMOVAL

Krud Kutter PRO Cleaner Degreaser is safe for all carpet types, including synthetic as well as stain resistant carpets. Test in an inconspicuous area first. The concentrated formula will clean six 9' x 12' (2.5m x 4.0m) carpets. Coverage may vary depending on type and condition of carpet. Vacuum the carpet thoroughly. Pre-treat any stubborn spots or stains by using the undiluted concentrate as a stain remover prior to cleaning carpet. Add concentrate to the receiving/waste tank of the machine to reduce buildup. Add 4 ounces of concentrate for each gallon of water in the dispensing/fill tank. For heavy traffic areas or heavily soiled carpets, add 6 ounces of concentrate for each gallon of water. Use hot (not boiling) or cold water according to the carpet manufacturer's cleaning directions. Read machine instructions carefully. Do not overfill.

CAUTION! In case of contact with eyes or skin, flush with water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. Do not induce vomiting. Get medical attention.

KEEP OUT OF REACH OF CHILDREN.

	TECHNICAL DATA	KKP-01
	KRUD KUTTER® PRO CONCENTRATED CLEANER DEGREASER	

PHYSICAL PROPERTIES

	KRUD KUTTER PRO CONCENTRATED CLEANER DEGREASER
Composition	Proprietary Blend of Biodegradable Surfactants, Detergents and Emulsifiers
pH	12.5-13.5
Color	Colorless
Odor	Mild
Volatile Organic Compounds	0% By Weight
Practical Coverage	Heavy Soils (Full Strength) – 200-300 sq.ft./gal. Medium Soils (10 to 1) – 2,200-3,300 sq.ft./gal. Light Soils (30 to 1) – 6,200-9,300 sq.ft./gal.
Shelf Life	7 years
Flash Point	>200°F (>93°C)
Caution!	In case of contact with eyes or skin, flush with water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. Do not induce vomiting. Get medical attention. KEEP OUT OF REACH OF CHILDREN.
