NATIONWIDE**

#### FOR USE ON:

- Utility & construction
- Excavation & surveying
- Landscape & golf course markings

## M1400 SYSTEM CONSTRUCTION MARKING PAINT

The only water-based marking paint needed for any job or landscape applicator.

#### • Bold, easy to see markings for excellent visibility

- Excellent visibility on concrete, dirt, gravel, grass, wood, and more
- Best resistance against early fading and chalking
- Non-clogging, inverted spray tip won't pop off
- Water-based formula
