PaintStripe® Floor Marking

new

PaintStripe™ Floor Marking Stencil
- Faster application, exact measurement & precise control
- Two adhesive types to securely mask edges and provide easy removal on concrete and other floor surfaces
- Printed cut-lines and a repeating 12-inch ruler facilitate accurate length measurement and rapid alignment of 90° corners

Ideal applications include:
- Areas where paint is preferred for line-marking, such as areas with aggressive or abrasive traffic conditions, or facilities that are unable to use aisle marking tapes due to wet floors, washdown conditions, floor-cleaning protocols or chemical exposures
- Aisle marking, Lean/5S initiatives, fire safety, high-traffic work areas, shipping and receiving docks, and area designation for finished goods, material waste, work-in-progress, raw materials, storage locations and more

Easily installed by one person.

Clean, precise lines.

Lower adhesion (B-518) ideal for clean, polished floors.

Facility Marking Tape

Paint vs. ToughStripe® Tape

Consider the following attributes of paint and tape to help determine the best fit for your facility.

	Preparation & Execution	Surface	Durability	Environment	Water / Cleaning / Chemical Exposures	Permanency	Multi-Color Lines
Paint	Extensive planning for surface preparation, ventilation and control of ignition or contamination sources. Downtime to allow paint to bond to floor.	Adheres well across many surface types, including rough or pitted floors	Up to 10 years	Suitable for indoor and outdoor use	Better suited for wash down environments and frequent cleaning	Difficult to remove paint completely if the markings need to be rearranged	Difficult to paint two-color or striped lines
Tape	Typically requires less planning and preparation. Tape immediately bonds to floor	Adheres best to smooth surfaces	Up to 3 years	Suitable for indoor, dry environments	Not suitable for frequently wet conditions or liquid chemical exposure	Easier to remove if markings need to be rearranged	Tapes are available in two-color stripes
