BBP®85 SIGN & LABEL PRINTER

There's **BIG** and **BOLD**.

Then there's **BIG** and **BOLD** from Brady.

The BBP®85 Sign and Label Printer allows you to create 10" labels in multiple colors, and it has an easier-than-ever interface that anyone on your team can use! No more complex, tedious design steps. Now you can just walk up and print... anyone can do it!

Big Output. Little Fuss.

Create extra-large 10" custom signs and labels right now! This printer has our fastest, easiest operating system, so anyone on your team can design visuals with little to no training. The ideal printer for multi-user Lean 5S and kaizen labeling events!

- Unmistakably large visuals up to 10" wide
- Just walk up and print...it really is that easy!
- Simple touch-screen interface for stand-alone use, or print from your PC with Brady Workstation apps
- Timesaving label design apps to create safety signs, GHS labels, pipe markers, arc flash, right-to-know labels and more!
- USB port for importing files, fonts and graphics

▶ BBP85 At-A-Glance:

- Large Output: Up to 10" wide
- Single Color & Multi-Color Printing
- PC-Connect or Stand-Alone Printing
- Touch-Screen Label Creation
- 125 parts, 5 materials

Best-of-the-Best Materials.

Brady's sign and label materials lead the industry in durability and performance. They withstand harsh conditions, stay stuck on the most challenging surfaces and they simply last longer than other materials on the market. With the BBP85 printer, you can choose from over one hundred supply options, including:

- Huge selection of 4" wide to 10" wide industrial grade outdoor materials
- Specialty materials including Reflective and Glow-in-the-Dark
- Pre-printed supplies for GHS, arc flash and OSHA or ANSI safety signs - means only one print pass!
