

Electrical

[Us] rated supply voltage	120 V AC
---------------------------	----------

Product identification

Accessory / separate part category	Lighting accessories
Accessory / separate part designation	Protected LED
Accessory / separate part type	LED
Sale per indivisible quantity	1

Usage / Application

Accessory / separate part destination	Beacon and indicator bank
---------------------------------------	---------------------------

Functional

Bulb base	BA 15d
-----------	--------

Physical characteristics

Product weight	0,015 kg
Signalling colour	Blue

Compatibility

Range compatibility	Harmony XVB Harmony XVD Harmony XVP
---------------------	---

Complementary description

Range ID	644 645 758
RoHS EUR conformity date	0601
RoHS EUR status	Compliant
Former Brand	Telemecanique

Main characteristics

Common description	Blue LED bulb for signalling - BA 15d - 120 V
Commercial Reference	DL1BDG6
EAN Number	3389110118155
Product GDP Code	5118
Short description	BLUE LED BULB FOR SIGNALLING BA 15D 120

Brand	Telemecanique
Current cross distribution chain status	08 - Commercialised

Logistic

Business material type	Referenced Product
Minimum sales order quantity	1
Basic packaging quantity	1

Pricing

Reference price	0,00
Price per	0
Price unit	ST - Piece

Management information

Creation date	19/02/2007
First global validation date	28/05/2009
GMR last update date	10/06/2009
Product part number	DL1BDG6
Project reference	DL1BDG6
Effect. date next global CDC	02/10/2007
Last update date	28/08/2009
Released for	All
