

Roofing Utility Blades

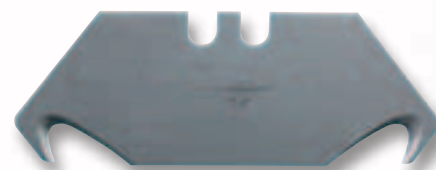

- Edge is engineered to withstand the rigors of cutting today's heavy and thick roofing materials
- 75% stronger than Stanley's 11-983 Hook Blade, resulting in fewer blade changes
- Cuts roofing shingles, felt paper, Tyvek®, foam board, insulation, shingles and other building materials
- Designed for use in fixed blade knives only
- "ROOF" call-out is laser etched on blade to help prevent accidental mixing with standard blades

Regular Hook Blades

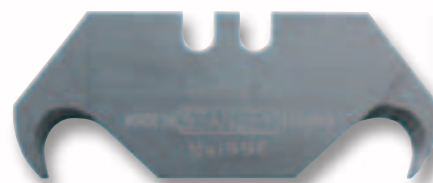

- Edge protection blade for cutting and trimming roofing materials, linoleum, carpet, fabric, cartons and sheet materials
- Blade shape helps prevent damage to whatever is beneath material being cut
- Fits most standard utility knives
