SmartStock® Classic Medium-weight Polystyrene Fork Dispenser- Holds 120 Utensils

Hygienic, one-at-a-time dispensing helps ensure customers don't take more cutlery than they need. *Requires SmartStock Medium-weight polystyrene fork refill.

Description:

Each of these sturdy, visually appealing towers is designed specifically to hold and discharge one of three types of self-serve utensils – fork, knife or multi-purpose spoon (basic scoop shape plus a deeper profile for soup). There isn't a more efficient or orderly way for you to stock – and your customers to select – the cutlery that is an essential part of your everyday foodservice operation. *SmartStock® dispensers are only available via lease with GP or authorized distributor.

Features & Benefits:

- » Dispenser holds up to 120 SmartStock utensils
- » Promotes good hygiene - enclosed design protects cutlery from contaminants
- » Reduces usage on average by 29% compared to open bins.
- » Speeds up restocking - just load the refill, insert, rip, pull and your done in seconds
- » Frees up valuable counter space - sized just right to keep things looking neat and organized
- » Gives you greater efficiency - a clean and simple alternative to open cutlery bins
