GENERAL ACCESSORIES

Folding Shelf

Folding shelves can be installed on the inside or outside of large enclosures. They are designed to support test equipment and programmers. Locks in the horizontal position. When not in use, shelf can be folded down. Made of heavy gauge steel and powder coated. "SS" parts are stainless steel Type 304 with #4 brush finish. For installation information, consult our Installation Manual at www.saginawcontrol.com.

Provided with UL Recognized sealing washer to maintain Environmental Rating of the enclosure.

Accessory Columns and Bases

Designed to allow enclosures to be floor mounted. Columns can be mounted to either size base. Columns have flanges at each end and a gasketed access plate. Bases are to be bolted to the floor. Gasket and mounting hardware included. For technical information, consult the Installation Manual at www.saginawcontrol.com. Pedestals and bases are ANSI-61 gray powder coated. "SS" parts are stainless steel Type 304 with #4 brush finish.
